Carehands

Universal barrier & moisturising cream

Multi purpose, non greasy barrier & moisturising hand cream. For use in a variety of situations & working conditions.

> Provides skin protection in both wet & dry working conditions.

> Added glycerine enables it to be used as an excellent after work skin moisturiser.

- For use in garages, engineering workshops, printers, warehouses, transport companies, farms & all types of general industry.
- Unperfumed, suitable in kitchens & food preparation areas.
- Ideal for use under rubber gloves as a secondary line of protection.
- The 500 ml bottle is free standing & comes complete with a pump dispenser.
- A wall bracket is available for the 500 ml bottle.

GENERAL USE:
Before & after work apply a small amount to hands & forearms & work into the skin, paying special attention to the nails & cuticles.
