Calgodip Amadine Film 20kg udaradeso piimahappe baasil (tõkkekile)

Calgodip Amadine Film on uue põlvkonna kasutusvalmis nisahoolduspreparaat iga lüpsi järel kastmiseks. Calgodip Amadine Film moodustab nibu ümber mittetilkuva tõkkekihi mis kaitseb udarat bakterite sissetungi eest. Calgodip Amadine Film sisaldab nahka kaitsvad komponendid ja hästi tasakaalustatud kogus bioloogilist piimhapet, mida iseloomustatakse kui eriti nahasõbralikku ja millel on samaaegselt tähelepanuväärne desinfitseerimisvõime. Kvaliteetsed hoolduskomponendid muudavad naha vastupidavaks ja elastseks. Calgodip Amadine Film on testitud vastavalt Euroopa standardile EN 1656.
