

# Technical product information

## tru-lit VA Star

Stainless steel polish

### Product benefits

- forms a smooth protective film
- leaves lustrous, spot free surfaces
- economic in use

### General Description

tru-lit VA Star cleans and maintains polished surfaces and all kinds of stainless steel. The special combination of purified white oils eliminates and prevents finger prints as well as water spots leaving a shining protective film on the treated surfaces.

tru-lit VA Star is thin bodied, easy to handle and efficient.

### Application

Apply tru-lit VA Star undiluted on clean and dry surfaces and polish with a dry non-fuzzing cloth. After application, clean the areas with a detergent when they come into contact with food.

### Material Compatibility

tru-lit VA Star is safe on stainless steel and other polished surfaces.

### Technical Data

Appearance	colourless liquid
