General Description

- Toilet brush set for fixing to the bathroom wall, made of AISI 304 stainless steel, from Mediclinics' Aura series.
- Easy installation with a simple, functional and up-to-date design, this toilet brush set is very resistant to humidity and corrosion, making it very durable.
- Designed to suit any space and necessity, this toilet brush set is ideal for installing in your own home, as well as public-use bathrooms, such as in hotels, bars, restaurants, offices, etc.
- Hygienic and very easy to clean.
- The handle of the toilet brush is 27.5 cm in length, which allows you to easily reach and clean the toilet bowl.
- It has a circular lid with an airtight seal that prevents the spread of bad odours and protects hands from getting dirty or splashed while cleaning the toilet.
- The long, soft and dense brush bristles protect the toilet from scratches and are very effective in removing all kinds of stains. An essential bathroom accessory, this toilet brush set helps keep your bathroom hygienic and tidy.
- Comes with stainless steel hardware for fixing it to a brick wall.
