Katrin Plastic Dispenser For Luncheon Paper Napkins, Table Top

Katrin Table Top Napkin Dispenser is a compact solution for hygienic napkin dispensing for fast-paced food service environments such as lunch restaurants, buffet lines, and self-service counters. Made from durable dark grey ABS plastic, it dispenses fresh luncheon napkins one at a time – reducing waste and improving hygiene. Easy to refill and maintain, it's a practical choice for cafeterias, catering setups, and casual dining venues.

- One-at-a-time napkin dispensing reduces consumption and improves hygiene
- Compact tabletop design is easy to position in line serving setting
- Compatible with Katrin Resta napkins – significantly stronger and more absorbent than standard restaurant napkins, ideal for wiping spills and handling greasy foods
- Made from durable ABS plastic – long-lasting and easy to clean
- Touch-free operation enhances guest comfort and sanitation
- Simple to refill and maintain – supports fast service and low upkeep
