Chrome-plated brass

Bright

OVERVIEW

- Straight grab bar–towel rail designed for wall mounting, with two supports and dual functionality: towel holder and grab bar.
- Ideal for both domestic use and installation in hotel bathrooms, bars, restaurants, etc. Suitable for high-traffic/public environments.
- The installation screws are concealed by decorative covers.
- The bar is fixed to the wall using 6 nylon wall plugs and 6 screws, which are supplied as standard with the product.
